

YASSINE BOUKHATEB

PH.D. STUDENT IN STATISTICS

Email: yassine.boukhateb@ensae.fr
Homepage: yassineboukhateb.github.io

Office 3032, ENSAE/CREST, Palaiseau, France

EDUCATION

CREST-ENSAE – Institut Polytechnique de Paris Ph.D. in Statistics Supervised by Victor-Emmanuel Brunel and Austin J. Stromme	Oct. 2025 – Present Palaiseau, France
Institut des Mathématiques d'Orsay – Université Paris-Saclay M.Sc. in Probability and Statistics	2024 – 2025 Orsay, France
ENSAE – Institut Polytechnique de Paris Engineering curriculum in mathematics, statistics, and economics	2022 – 2025 Palaiseau, France
Lycée Louis-Le-Grand Classes préparatoires aux grandes écoles (MPSI – MP*) <i>Intensive undergraduate program in mathematics and physics</i>	2020 – 2022 Paris, France

RESEARCH INTERESTS

Probability and statistics in geometric and metric settings; concentration phenomena; nonparametric statistics; geometric functional analysis.

RESEARCH EXPERIENCE

Master's Thesis Internship <i>Supervisors: Damien Garreau (JMU Würzburg) and Eddie Aamari (ENS Paris)</i> · Worked on the theoretical analysis of UMAP via dynamical systems techniques.	May 2025 – Sept. 2025 Würzburg, Germany
Research Internship in Mathematics <i>Supervisor: Victor-Emmanuel Brunel (CREST)</i> · Studied Klartag's central limit theorem for convex bodies, with emphasis on Stein's method and techniques from convex geometry.	Jun. 2024 – Oct. 2024 Palaiseau, France

CONFERENCES AND SCHOOLS

Annual Summer School on Mathematical Aspects of Data Science Institute for Mathematical Sciences, National University of Singapore	Jun. 22 – Jul. 1, 2026 Singapore
Journées de la statistique I2E ENSAI — organized by Insee, ENSAE, and ENSAI	Jun. 9 – 10, 2026 Rennes, France
Geometry in Data Workshop Nantes Université	Jun. 2025 Nantes, France

TEACHING EXPERIENCE

Teaching Assistant, ENSAE Paris <i>64 hours of tutorial classes for undergraduate and graduate students, with about 25 students per group</i> Palaiseau, France · Functional and Convex Analysis (Prof. L. Decreusefond): undergraduate course. · Stochastic Processes (Prof. N. Chopin): graduate course. · Statistics (Prof. A. Dalalyan): graduate course.	2025 – 2026
---	-------------

INDUSTRY EXPERIENCE

Data Analyst Intern Clap Partners, HR consulting firm	Jun. 2023 – Aug. 2023 Montrouge, France
---	--

SKILLS AND LANGUAGES

Languages	French (native), English (proficient), Spanish (beginner)
Technical Skills	Python, LaTeX, Git/GitHub
