

YASSINE BOUKHATEB

PhD STUDENT IN STATISTICS

Email: yassine.boukhateb@ensae.fr ◇ Homepage: yassineboukhateb.github.io

French citizen ◇ Born in 2002 ◇ Office : x - ENSAE Paris

EDUCATION

CREST-ENSAE – Institut Polytechnique de Paris Ph.D. in Statistics Under the supervision of Victor-Emmanuel Brunel and Austin J. Stromme	Oct 2025 – Present Palaiseau, France
Institut des Mathématiques d’Orsay – Université Paris-Saclay M.Sc. in Probability and Statistics	2024 – 2025 Orsay, France
ENSAE – Institut Polytechnique de Paris Studies in mathematics and economics	2022 – 2025 Palaiseau, France
Lycée Louis-Le-Grand Classes préparatoires aux grandes écoles (MPSI – MP*) <i>Intensive undergraduate program in Mathematics and Physics</i>	2020 – 2022 Paris, France

RESEARCH INTERESTS

Probability Theory, Statistics (Parametric and Nonparametric), Statistics in Metric Spaces, Optimization, Geometry, Geometric Functional Analysis.

RESEARCH EXPERIENCE

Master’s Thesis Internship <i>Supervisors: Damien Garreau (JMU Würzburg) & Eddie Aamari (ENS Paris)</i>	May 2025 – Sept 2025 Würzburg, Germany
• Title: Theoretical analysis of UMAP via dynamical systems techniques	
Research Internship in Mathematics <i>Supervisor: Victor-Emmanuel Brunel (CREST)</i>	Jun 2024 – Oct 2024 Palaiseau, France
• Investigated Klartag’s results on the Central Limit Theorem for convex bodies, with a focus on Stein’s method and techniques from convex geometry.	

TEACHING ASSISTANT

Currently teaching 64 hours of tutorial classes to both undergraduate and graduate students at ENSAE Paris.
• Functional and Convex Analysis (Prof. L. Decreusefond): undergraduate course, 27 students. • Stochastic Processes (Prof. N. Chopin): graduate course, 20 students. • Statistics (Prof. A. Dalalyan): graduate course, 25 students.

INDUSTRY EXPERIENCE

Data Analyst – Internship <i>Clap Partners, HR Consulting Firm</i>	Jun 2023 – Aug 2023 Montrouge, France
--	--

SKILLS AND LANGUAGES

Languages	French (Native), English (Proficient), Spanish (Beginner)
Technical Skills	Python (Vibe coding), LaTeX, Git/GitHub
